

DOWNWIND OF UPSTAGE Assorted Rep Rap

DONATIONS GALORE!

SEUSSICAL RAFFLE BASKET: Donated by Vikki Young, Christine Ross (Dr. Seuss quilt), and Marilyn McCormick. Congratulations to the lucky winner, Fortuna resident Stephanie Humphrey!

COSTUME DONATIONS: Theatrical costumes from Terry McVicker. Halloween costumes from Sarah Brady. 1940s ear dresses from Mark Lorenzo.

TECHNICAL SUPPORT: Many thanks to Halsey Demant for assisting in finding the elusive hum in our sound system. We thought Bertha was auditioning for *My Way*, but it turns out it was a faulty connection. Bertha will have to wait for the next musical...

WOOD YOU BELIEVE IT? We couldn't believe it! Cisco Benemann donated 300+ feet of heart redwood to our scene shop!

YOU LIGHT UP OUR LIFE: It is wonderful to have Lost Coast Live bring their extremely popular (sold out!) concerts to the Rep. They usually leave something behind in addition to the great memories of a fabulous evening. This time, it was track lighting and a check for \$1500. The next concert on November 5 will be a benefit for the victims of hurricane Katrina. Get your tickets early!

KENNY DOESN'T HOARD, NEITHER DOES ELAINE: Long-time Rep supporters Kenny Hoard and Elaine Chenowith once again showed their extreme generosity during the run of *Seussical*. Elaine enjoyed the show so much that she donated \$300 to the Actors' Benefit. Kenny Hoard donated \$100 to the Rep in support of our efforts. The cast and crew were overwhelmed. So were we!

A PRESCRIPTION FOR SUCCESS! Tom Renner, owner of Ring's Pharmacy in Ferndale, was the sponsor of the television commercial produced for *Seussical*. Tom has been a major supporter of the theatre for many years and is always ready to write a prescription to insure our success.

HSU DAY OF CARING: For the third year in a row, HSU students, in concert with AmerCorps, sent volunteers to the Rep for their Annual Day of Caring. The students organized the loft and costume shop, then folded and stuffed all the programs for *Love Letters*—and did it all in less than 3 hours!

HSU GRANT WRITER: HSU is offering a class in grant writing this year, and two of the students were interested in the arts. One chose the Rep as a target for his efforts. Larry Mitchell will be working with Rep Board member Vikki Young in developing a grant application to support our youth program. He will do all the research, write the application and submit it to the appropriate funder(s). This is one more way that HSU students have become involved with the Rep and are donating to their community. Many thanks to HSU for

"I merely took the energy it takes to pout and wrote some blues." ~ Duke Ellington (1899 - 1974)
