

## TRACY DITTES' PHOTOS ON DISPLAY AT ART FROM THE HART GALLERY

Photographer Tracy Dittes will be the featured artist in the Hart Gallery during June and July 2008. Tracy is a Ferndale resident and her show features photographs from in and around Ferndale. Photographs range from pastoral landscapes to close-up moments with her neighborhood cows, and evening photos of the back alleys of Ferndale. Dittes is fascinated with capturing light on the land and is interested in sharing the beauty and peace she finds representative of Humboldt County life.

Returning to photography after a serious car accident in March 2007, this show is a celebration of her life in this community, sharing the beauty we are surrounded by daily and often overlook. Dittes has a BA in Art from Humboldt State University with an emphasis in Photography. Her style is still developing as she has so recently returned to artistic pursuits following her accident.

The show is co-sponsored by Wachovia Securities/AG Edwards who will be hosting the opening night artist reception. "Wachovia Securities is pleased to be supporting this developing artist as she furthers her personal style and approach to photography" said Ferndale Branch Manager Laura Hussey.

Please join Wachovia Securities/AG Edwards & the Hart Gallery in an opening night reception for the artist on May 24th, 6:30-8:00pm. The gallery is located in the Box Office of Ferndale Repertory Theater, 447 Main Street in Ferndale.
